Entering 7th or 8th Grade?

Join us **July 19-23** for the **2021 Darke County Summer Manufacturing Camp**, a five-day camp exploring the world of manufacturing. Discover exciting manufacturing careers available locally through activities and tours with local manufacturers.

Campers will learn by creating a product or service to solve a real world challenge. In the afternoons, campers will tour a local manufacturer where they will see their morning topics applied in the real world of manufacturing.

CAMP LOCATION:

Greenville C-TEC, 100 Greenwave Way, Greenville, OH.

Transportation to and from manufacturing tours will be provided.

Register online at: www.darkecounty.com
